This matter is before the court on the Defendant's Unopposed Motion to Continue Trial [42]. Counsel is actively involved in an investigation and needs additional time to review the prior convictions alleged in the superseding indictment and to review additional discovery. For good cause shown,

IT IS ORDERED that the Motion to Continue Trial [42] is granted, as follows:

1. The jury trial is continued to **December 2, 2019**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and December 2, 2019**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).

DATED: September 19, 2019.
